

## Our Way Of Being

As the sun wakes up, on a brand new day and  
lights the path to the Golden Sands way  
From Motiti island to Wairakei stream, living and  
learning the golden sands dream

Where the purple colour fills the clouds  
We are strong and we are PROUD  
Where our thoughts flow like the sea  
Learn together you and me  
It's our way of being at Golden Sands

Ohhhh, Ohhhh  
It's our way of being at Golden Sands  
Ohhhh, Ohhhh  
It's our way of being

As the sun moves slowly over Mauao's peak  
The 3 whales of Nga Potiki  
Kopukairoa, Mangatawa, and Hikurangi  
Watch over us on our learning journey

Where the purple colour fills the clouds  
We are strong and we are PROUD  
Where our thoughts flow like the sea  
learn together you and me  
It's our way of being...

I've gotta be the best that I can be  
In the heart of the community  
I know I'm going to make the most  
And take the holistic approach to growth

Together United!  
Hope and inspiration! X2

Where the purple colour fills the clouds  
We are strong and we are PROUD  
Where our thoughts flow like the sea  
learn together you and me  
It's our way of being at Golden Sands.

Ohhhh, Ohhhh  
It's our way of being at Golden Sands  
Ohhhh, Ohhhh  
It's our way of being at Golden Sands.
